Tickets for The Royal Highland Show

[Click here to purchase tickets.](#)

Accessible Day Single – This ticket is your admission ticket and includes one complimentary companion ticket. Please be aware that when booking tickets you will be asked to upload evidence for your purchase to be accepted. Evidence includes a Blue Badge, PIP (Personal Independence Payment), letter from a medical professional etc.

Accessible Parking – You can purchase single-day, 2 day or 4 day parking tickets. Please note, a Blue Badge is required to gain entry to the Accessible Car Park.

Getting Here

Car Parking

There are two accessible car parks. One at the East Entrance and one at the West Entrance. Follow event signage from the A8 then you will begin to see the specific accessible car park signage.

East Accessible Car Park

This car park will be the closest if you are travelling from the East or South of Scotland. The car park is across the road from the East Entrance on uneven hard standing. The walkway to the East Entrance is via a dedicated pedestrian route on flat ground.

West Accessible Car Park

This car park will be the closest if you are travelling past Newbridge on your way to the event. The car park is across the road from the West Entrance and is located on grass. You will be able to see the West Entrance from the car park. The walkway is on grass and uneven track road.

If you are parked in the West car park out with the accessible car park, we have a shuttle bus in operation from 09.00-21.00 each day, going back and forward between the West Gate and the whole of the West car park. Please look for the bus stop signage around the car park.

Taxi Drop Off/Pick Up Point

There is a taxi drop off/pick up point right outside the East Entrance on Ingliston Road.

Public Transport

Bus Travel

Lothian Bus Service 98 runs frequent buses between Edinburgh City Centre, Haymarket Station and the Royal Highland Show East Entrance. Holders of a National Entitlement Card (Under 22s, Over 60s, Accessible Card Holders etc.) travel for free with their pass.

[For all access information for travelling with Lothian Buses, click here.](#)

[For more information on the Service 98, click here.](#)

There is a bus stop at the top of Ingliston Road, outside the South Entrance, that services the below buses –

Citylink 900

McGill's Scotland East 18, 20, 63, x24, x25

Stagecoach 747

Lothian Buses x18

Tram Travel

The closest tram stop to The Royal Highland Centre is Ingliston Park and Ride. Ingliston Park and Ride is a 15-minute walk from our South Entrance or there is a shuttle bus that goes back and forward from the tram stop and the East Entrance every 15 minutes between 07.00-21.00.

[For all access information for travelling with Edinburgh Trams, click here.](#)

Train Travel

The closest train stations are Edinburgh Gateway and Edinburgh Park. Lothian Buses Service 97 services both stations and drops off at the East Entrance of the Royal Highland Show.

[For more information on the Service 97, click here.](#)

Caravan Parks

We do not have any public caravan parks but do have some available for our key stakeholders. Please get in touch for more information.

We will have accessible toilet and shower facilities available in most of the caravan parks. The pamper units in all caravan parks will have 2-3 steps at the entrance.

They are located in grass fields and on uneven hard standing and in adverse weather conditions may become inaccessible for wheelchairs and scooters. There are no dedicated walkways between each caravan.

The caravan parks are external to the main event site. Travelling between the caravan parks and the event may require you to cross live roads with pavements that do not have dropped kerbs.

Wheelchair and Scooter Hire

Advanced Mobility are located at both the East and West Entrances (internal) and have wheelchairs and scooters available to hire.

To hire a wheelchair or scooter please contact Advanced Mobility directly by phone on 01274 297777 or [through their website here.](#)

Planning Your Visit

Although we don't finalise competition and demonstration timetables until just before the Royal Highland Show, hopefully, the information below will still allow you to plan your time at the event.

We would recommend downloading our Royal Highland Show App which gives you an interactive map of the event and details the accessible facilities available.

Busy Entrance Times

The Royal Highland Show is open 07.00-20.00 Thursday-Saturday and 07.00-18.00 on Sunday. The busiest times and likelihood of queues at our entrance gates are between 07.00-11.00 on Thursday and Friday, 08.00-11.00 on Saturday and 09.00-11.00 on Sunday.

Timetables

Below are rough opening and closing times for our competition rings and demonstration areas. Please note, all timings are subject to change.

Area	Thursday	Friday	Saturday	Sunday
Agri Innovation Arena	10.00-17.00	10.00-17.00	10.00-17.00	10.00-17.00

Countryside Arena	9.45 -18.00	9.45 -18.00	9.45 -18.00	9.45 -18.00
Farriery	08.45-17.00	08.30-17.30	08.30-17.30	08.30-15.00
Food for Thought Cookery Theatre	09.00-18.00	09.00-18.00	09.00-18.00	09.00-18.00
Forestry Arena	09.00-17.00	09.00-17.00	09.00-17.00	09.00-17.00
Jubilee Ring	08.00-20.00	08.30-20.00	09.00-20.00	09.00-17.30
Main Ring	07.30-20.00	07.30-20.00	07.30-20.00	07.30-17.30
Sheep Rings	09.00-19.00	09.00-19.00	10.00-16.00	10.00-13.00
Sheep Shearing	-	13.00-15.30	08.30-15.00	08.30-15.30
Thistle Ring	08.00-17.30	07.30-17.00	07.30-17.00	07.30-13.00
West Stage	11.00-17.45	11.00-17.45	11.00-17.45	10.00-17.45

Tradestands and Activations

Please be aware that some activities or activations through exhibitors are more accessible than others so we would advise speaking to the stand on the day for accessible information. Most of the tradestands in the Agri Area allow children to climb up and have a go of sitting in the machines on their stand but this may not be accessible for everyone.

Venue

The event takes place on a 110-acre showground. The majority of paving is tarmac roads or boardwalks. Although, our trade stands and displays are also spread over grass areas.

The Showground is made up of a grid system with each avenue being identified by a letter or number. This is shown on our RHS app, in the programme and on directional signage at the event. The programme can be purchased inside the entrance gates.

Our most congested areas are around the Main Ring on Avenue O/7th Avenue, inside Scotland's Larder and on 13th Avenue which is the avenue that runs towards Scotland's Larder.

Cattle Hall (Highland Hall)

This building is accessible by wide doors with a width of 1.79m.

There will be a strong animal smell and loud noises by the animals in this area.

The flooring is flat concrete but it may be covered in hay/straw which could make it inaccessible for wheelchairs, scooters or prams.

The Cattle Hall closes to the public at various times throughout the day when animals are moving between the hall and the showing rings. Closure timings are displayed in the main foyer of the Cattle Hall.

You can view the Clydesdale Horses in the Central Hall via an indoor ramp from the Cattle Hall.

Scotland's Larder (Lowland Hall)

This building is accessible by a lowered pavement and doors with a width of 1.66m. The doors do have a small lip on the floor but there are wider fire exits at the side of the building which would accommodate wheelchairs, scooters or prams.

This building is only one level. The walkway around the exhibition will be carpeted.

Scotland's Larder and the avenue that leads to the hall are one of the busiest areas during the event.

Toilets and Changing Place Facilities

All our permanent toilet blocks and main halls have accessible toilets. We also have various temporary accessible toilets at the event. For all toilet locations please download the RHS app.

We have three changing place facilities at the event. Please see a list of facilities for each location.

Cattle Hall

Changing Bench - Adult Sized

Hoist – Ceiling Track Hoist, Loop

Washbasin Fixed Height

Non-Slip Floor

Floor Space (sq. m) – 12.15

Emergency Alarm

Hoist – Ceiling Track Hoist

Washbasin Fixed Height

Peninsular Toilet

Non-Slip Floor
Large Bin for Pads
Non-Slip Floor
Floor Space (sq. m) – 28
Shower
Avenue H
Details TBC

Assistance Dogs

Assistance dogs are welcome everywhere at the Royal Highland Show, but please be aware that some areas of the event can be densely populated by people and that animals can be unpredictable and may react to dogs in their presence.

Accessible Platforms

We have two accessible platforms at The Royal Highland Show. One to view the Main Ring and one to view the Jubilee Ring.

Spaces on these platforms are on a first come first serve basis and you may be asked to show your accessible admission ticket on entry to the platform. As platforms have a limited capacity, these are strictly for access customers plus one companion.

The accessible platforms are uncovered so please dress appropriately for the Scottish weather. All platforms have ramp access.

Medical and Welfare Facilities

We will have a medical center at the top of 13th Avenue. For any medical requirements please speak to one of our safety stewards.

We will have a welfare area run on Avenue K. Welfare staff will be able to support you if you need a time out from the event, need help planning your way home, access to sanitary products or a place to rest.

Quiet Place

We have a Quiet Place next to the welfare tent on Avenue K if you need some time out from the busy event. This area will have soft furnishings and fidget and sensory toys available to use in the area or borrow for your time at the event. There will also be ear defenders for children and adults available to borrow.

Opening Times –
10.00-18.00

Food & Drink Outlets

All bar and catering units that trade at the Royal Highland Show agree to value accessibility. Where possible they will try to have step-free access, lowered counters and large print or picture menus available. And their staff will be available for any assistance.

Seating Areas

We have seating areas in the Countryside Area close to the West Entrance, around most of our demonstrating rings and at our food courts.

High Signage

We have been working hard to include high level signage throughout the event.

Animal Crossing Points

We have three animal crossing points around our Main Ring that are closed multiple times throughout the day to manage animals crossing to and from their stabling areas to the Main Ring.

When the crossings are closed, this stops all pedestrian travel around the area until the crossings open and causes large crowds to congregate. The crowds tend to stand at the barriers to watch the animals passing so if you want to avoid crowds we would suggest staying back from the barriers until the crossing is reopened.
