Disclaimer of Liability
1.1. The term Exhibitor shall include persons taking part in any competition, exhibition or display arranged by the Society and the owner of any animal, plant, machinery or other thing involved in any such competition or display or otherwise exhibited on the Showground (being all ground occupied or used, or designated for or available for occupation and use, in connection with the Royal Highland Show). Save for death or personal injury caused by breach of its duty, the Society will not be responsible for death, injury, disease, damage or loss caused to any Exhibitor or to his/her servant or agent or to any animal, article, plant, machinery or thing of whatever nature brought on to the Showground by the said Exhibitor from whatever cause death, injury, disease, damage or loss arises.
1.2. Save as aforesaid the Exhibitor shall indemnify the Society against all claims, damages and expenses whatsoever in any way arising out of the presence of the Exhibitor, his/her servants, agents, exhibits, vehicles or equipment on the Showground and shall assume full responsibility therefore.
1.3. Acceptance of the provisions of these General Regulations shall be a condition of entry.
1.4. Exhibitors are advised to insure against fire and other appropriate risk not only as regards their own property but also against any third party claims.

Responsibility of Exhibitors
2.1. All Exhibitors shall comply with any direction given by the Society's Directors, Stewards, Staff (identifiable by official badge), the Official Veterinary Surgeons or by the Police. Exhibitors shall be answerable for all acts, whether committed by themselves, their attendants, or others in charge of their stock, and shall be responsible for the condition of their animals during the whole time they remain in the Showground. Animals which are known to be wild or fractious by nature must not be brought to the Showground. In the event of any animal being excluded or removed from the Showground on the orders of the Chief Steward, any refund of fees or deposit shall be at the sole discretion of the Society.
2.2. Exhibitors and their attendants are responsible for reporting any abnormal behaviour of their animals to the Chief Steward of their Section or to the Official Veterinary Surgeons. The Chief Steward shall have authority to exclude from Parades and/or the Showground any animal which in their opinion is wild or fractious to the extent of being a danger to the public, without prejudice to what is provided in these Regulations as to the liability of Exhibitors. Exhibitors and their attendants or other persons in charge of the Exhibitors' stock are responsible for the welfare of their animals, both during transit to and from the Show and whilst in the Showground. The decision of the Society's Veterinary Surgeons during the Show shall be final on all matters relating to animal welfare.
2.3. Exhibitors are prohibited from using any electrical equipment or device to restrain their animals whilst in the Showground or on vehicles parked on the Society's property.
2.4. Where, in the sole opinion of the Chief Steward any Exhibitor, his/her servant, agent, attendant or any other person fails to comply with, breaches or is in breach of these General Regulations or any other rules or regulations of the Society, the Chief Steward shall be entitled to require such Exhibitor, servant, agent, attendant or any other person to forthwith remove from the Showground his or her animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature involved in any competition or display or otherwise exhibited on or brought on to the Showground.
2.5 Notwithstanding anything else to the contrary in these General Regulations, the Chief Steward shall be entitled, in his/her sole discretion and on any grounds to (i) refuse to admit any person, animal, plant, machinery, equipment, vehicle, article or other things of whatever nature to the Showground and/or (ii) require the removal of any person, animal, plant, machinery, equipment, vehicle, article or other thing of whatever nature from the Showground.
2.6 In the event that any Exhibitor, servant, agent, attendant or any other person fails to comply with a direction given by the Chief Steward to remove forthwith from the Showground his or her animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature, the Chief Steward shall have
the power (acting as agent on behalf of such Exhibitor, servant, agent, attendant or any other person) and authority to remove or procure the removal of said animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature from the Showground to a suitable and secure location and shall be entitled to recover all costs of such removal, re-location, storage and/or stabilbing or stalling; and in the case of animals the costs of fodder and bedding and all other costs reasonably incurred from such Exhibitor, servant, agent, attendant or any other person. Notwithstanding such removal, the Exhibitor shall remain the owner and be responsible for said animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature and the disclaimer of liability and indemnity set out in paragraphs 1.1 and 1.2 above shall continue to apply irrespective of such removal, re-location, storage stabilbing or stalling.

In the event of restrictions failing to be removed, entry fees will be refunded provided written notification accompanied by veterinary certification is received by the Show Manager not later than 1st June. Similarly entry fees will be refunded in respect of animals from a herd upon which restrictions are imposed after the closing date for entries provided written notification accompanied by veterinary certification is received not later than 1st June. Entry Fees will not be refunded in respect of such withdrawals notified after that date.

Responsibility for Entries
4. Exhibitors are solely responsible for the accuracy and eligibility of their entries. The recording of an entry or the admission of the exhibit to the Showground will not relieve the Exhibitor of this responsibility. The entry fee paid for an animal entered in a class for which it is not eligible is not returnable. At no time shall an incorrect entry be allowed to move to another class.

Suspended Exhibitors
5. The Board of Directors reserves the right to refuse, cancel, or prohibit the exhibition of entries from any person, particularly those under suspension by any Agricultural Breed Society or Club or by British Show Jumping or other Horse and Pony Societies.

Limitation of Entries
6. In the event of more entries being made for Classes in this Prize List than can be accommodated, the Board of Directors reserves the right to require Exhibitors to make a proportional reduction in the number of their entries in which case a refund will be made of the relative fees.

One Class Only
7. Other than for animals entered in the Light Horse, Heavy Horse Turnout and Driving Sections, or where otherwise specially provided for in this Prize List, no animal may compete in more than one class. In all cases, no animal may compete in any class except that prescribed for animals of its pedigree and description.

8.1. All Stock exhibited at the Show, except where otherwise stated in the Prize List, must be, at the closing date of entry, the bona fide property of the Exhibitor(s) in whose name it is entered.
8.2. A stallion hired for the season will be considered to be the property of the person to whom it is hired.
8.3. An entry or entries may be submitted on behalf of an Exhibitor by an Exhibitor’s Agent. These entries must be submitted under the name of the owner/s of the animal - in no case can the Agent be described as the joint Exhibitor unless he or she is, bona fide, the joint owner of the exhibit at the closing date for entries.

Payment of Prize Monies/Refund of Deposits
9. The Society considers that prize monies and/or deposits attach themselves to the exhibit and hence to the Exhibitor, i.e. the bona fide owner of the exhibit. All prize monies and/or deposits will be paid in the name of the Exhibitor under which entry is made. They will not be made payable to a third party, e.g. an Agent.

Substitution
10. Between 21st April and 12th May an Exhibitor who has made an entry of Goats, Beef Cattle, Heavy Horses or Light Horses will be permitted to substitute for it an entry of another animal in the same class on payment of a fee of £5 for each substitution. Such animal must, in terms of Regulation 8, have been the bona fide property of the Exhibitor at the original date of closing of entries.

Withdrawal of Entries
11. If an entry in the Goat, Beef Cattle, Heavy Horse or Light Horse Section is withdrawn, in writing, not later than 12th May the entry fee (and animal accommodation fee where appropriate) will be refunded, after deduction of a £5 administration fee. For Sheep see below.

Cancellation of Stalls or Pens
12. Where a stall reservation in the Sheep, Beef Cattle, Dairy Cattle or Heavy Horse Classes is cancelled in writing before 12th May the Stall fee will be refunded, after deduction of a £5 administration fee.

Rejecting Entries
13. The Board of Directors reserves the right to refuse any entries it may think fit to exclude, or to cancel any entry made, or to prohibit the exhibition of any entry, or to cancel any Prize or Prizes awarded to any animal in respect of which a valid protest has been lodged or which is found to have been ineligible to compete.

Animal Health
14.1. Details of the relevant Animal Health Regulations are contained in this Prize List.
14.2. Animals suffering from any form of infectious or contagious disease - including ringworm or other form of infectious or contagious skin ailment - must not be brought to the Show and will not be admitted to the Showground.
14.3. The Stewards have the power to require that any animal at any time showing any symptoms of infectious or contagious disease or any other form of illness or ailment be examined by the Official Veterinary Surgeons, and, if found to be so infectious, contagious or ill shall be, at the sole discretion of the Chief Steward, either isolated or excluded from the Showground. Any animal so excluded must be immediately removed from the Showground. All cattle showing any signs of ringworm shall, at the discretion of the Official Veterinary Surgeons or Chief Steward, be removed from the Showground and the production of a Veterinary Certificate relating to treatment shall not exempt any animal from this ruling.
14.4. The Chief Steward in consultation with the Official Veterinary Surgeons shall have authority to prohibit the access of persons and animals to certain areas which will be clearly signposted.
14.5. During judging of a class the decision of the judge with regard to soundness is final.
14.6. All livestock susceptible to Blue Tongue coming to the Show must comply with current legislation and regulations.

Cancellation The Show
15.1. If the Show is cancelled by the Society as a result of any circumstances whether within or out-with the Society’s reasonable control, the Society will refund in full all entry fees, stalling or stabling fees, caravan site bookings, hay bale tickets, parking permit costs and any pre-bought extra tickets. Exhibitors should note that there will be no refund of any Society Membership fees including joining fees and annual or other subscriptions.
15.2. If any section(s) of the Show is or are cancelled by the Society as a result of any
circumstances whether within or outwith the Society’s reasonable control, the Society will (a) in respect of the cancelled section(s) refund the entry fees and stalling or stabling fees, and (b) unless the Exhibitor has also entered for a section which is not cancelled, refund any caravan site bookings, hay bale tickets, parking permit costs and pre-bought extra tickets. Exhibitors should note that there will be no refund of any Society Membership Fees including joining fees and annual or other subscriptions.

Breed Section
15.3. In the event of the entries in any section of Sheep, Goats and Horses being less in number than an average of five per class or the entries in any section of Cattle being less in number than an average of four per class, and the number of different Exhibitors in the section being less than three, the classes will be cancelled. Nevertheless, two or more classes may be combined if by so doing the viability of the section is ensured. In reaching any decision in the cattle sections, the number of stalls booked for the breed in question will also be taken into consideration.
15.4. If in any year a Breed has failed to meet the conditions contained in 15.3 and the section has in consequence been cancelled, classes will be offered for the subsequent year. However, if numbers in that subsequent year do not meet the criteria the Board of Directors will not consider an application for the provision of classes until after two succeeding Shows.

Tampering with Animals
25.1. Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a Prize, and any Prize awarded prior to discovery will be forfeited. The owner of said animal may be prohibited from again entering Stock for any of the Society's General Shows, for such period as the Board of Directors may see fit. For the purpose of this Regulation, the phrase ‘artificial contrivance or device’ shall be held to include blistering, bandaging or boarding of udders, setting of teats, and generally any other practice which results in the animal being shown other than in a natural state. The Society reserves the right to have all animals inspected by the Official Veterinary Surgeons either prior to, during or after judging.
The use of blacking, except on the feet, or other colouring matter on Cattle is prohibited. Infringement of this Regulation will render the animal upon which the material is used liable to be disqualified.

25.2. The Society prohibits the administration of any drug or other substance which does or could in any way affect the performance or behaviour of an animal, whether in the Show Ring or elsewhere in the Showground. At any time whilst an animal is in the Showground, it may be tested by a society or organisation to which the Society is affiliated, and the Exhibitor shall fully cooperate in such tests. A positive test result will be reported to the Board of Directors and to any relevant Breed society or association, whether or not the Exhibitor or his or her representative is shown to have administered or permitted the administration of the substance. The Board of Directors may impose such penalties as they see fit, following any investigation which they deem appropriate and decide to hold.

All prize-winning Cattle and Heavy Horses, including 5th and 6th Prize-winners, must take part in the afternoon Parades in the Main Ring on Saturday and Sunday. On Friday the Beef and Dairy Cattle in the parade will form a representative sample of four animals per breed, selected by the Society’s Stewards. Heavy Horses will be paraded on Friday as on Saturday and Sunday. Parade cards will be issued to prizewinners and these must be carried during the parade and handed to an Official Steward. Exemption from the parade can only be granted by the Chief Steward who must sign the parade card. All instructions issued by the Stewards must be complied with. In Parade, Horses must be ridden or led as provided in their respective classes. Prize Cattle and Horses will receive one rosette each, which must be attached to the head of the animal. Attendants must be beside their animals thirty minutes before the hour of Parade, and be ready to proceed to the Ring immediately on receiving the order of the Stewards. Except for animals excused on the written authority of the Chief Steward of the Section or of the Official Veterinary Surgeons, the failure of any Exhibitor or his attendant to parade a Prize Animal will result in the forfeiture of all prize-money awarded to such Exhibitor at the Show.

In cases of infringement of any other part of this rule or failure of any Exhibitor or his attendant to obey the instructions of the Society’s Stewards, the Board of Directors reserves the right to retain all the prize money awarded to such Exhibitor at the Show.
27.2. There will be no Light Horse Parades.

amongst the Society's most prestigious trophies, they circulate around the Livestock Sections, each
Section qualifying for a proportion of the cups based on the number of breeds and the total

HUNTERS IN-HAND

THIS SECTION HAS BEEN SPONSORED IN MEMORY OF
DAVID RALSTON (DRB STUD) BY ROSEMARY BROWN

Note: Eligibility of Exhibit, see Reg. 104.

All Hunters In-Hand classes at this Show are affiliated to Sport Horse Breeding of Great Britain, and all persons entering, competing, showing or otherwise taking part in Hunters In-Hand classes are subject to the constitution and rules of SHB (GB), including the disciplinary procedures, and shall be deemed to have consented to the jurisdiction of SHB (GB).

All entries in the Hunters In-Hand classes must be on the Basic Identity Record or Stud Book of SHB (GB). Registration numbers to be given on entry form.

There must be no alteration to the natural markings of a horse. Manners will be taken into account in Hunter Breeding Classes. For further details, apply to Sport Horse Breeding of Great Britain, 96 High Street, Edenbridge, Kent, TN8 5AR (Tel. 01732-866277).

We recommend Exhibitors consider registering their foals with their own breed Societies; and they should allow themselves enough time to do this, so they are still able to enter the Royal Highland Show classes. Please note this does not relieve Exhibitors of the requirement to enter their animal(s) on the Basic Identity Register of Sport Horse Breeding of Great Britain.

Brood Mare Premium:

Sport Horse Breeding of Great Britain offers a Brood Mare Premium for the Brood Mare Class but premiums will only be awarded if there are a minimum of three mares forward. The Premium takes the form of a Service Voucher, the value of which is to be determined from time to time by SHB(GB), awarded at the Judge’s discretion from the monetary prizewinners, to be used towards the service of the mare by any SHB (GB) Graded or Life Approved Premium Stallion that is properly registered for the year of covering. The Service Voucher may be used in either of the two years following the year of that award. The owner must be, or become, a fully paid up member of Sports Horse Breeding of Great Britain in order to be eligible for the award. No mare shall take more than one award per year.

SAFETY: The Organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards.
