### HEAVY HORSE REGULATIONS

Save for the provisions of paragraphs 2.4, 2.5 and 14 of the Society's General Regulation which shall always prevail in the event of any conflict with these regulations set out below, in the event of any other conflict between the Society's General Regulations and these regulations set out below, these regulations shall prevail.**

#### Height of Horses

- 90.1. All Horses entered in classes with conditions as to height may be measured by the Official Veterinary Surgeons before being judged, except those with Life Certificates, or Annual Certificates if under six years, issued by the Joint Measurement Board. These certificates must be produced to the Official Veterinary Surgeons on request and the Society reserves the right to measure, and if necessary disqualify, any animal whether or not a certificate is produced. 1cm (or half an inch) will be allowed for normal shoes. No allowance for tips, plates or Charlier shoes. No subsequent alteration of shoes will be permitted.
- 90.2. Horses and Ponies will be measured in natural positions; no animal will be measured in a stretching position.

#### Mares

- 91.1. A Mare entered in a class for "Mares with Foal at foot" must have produced a Foal after 1st January in the year of the Show, must have regularly nursed her own or another Foal and must (except where otherwise provided) have the Foal with her at the Show. If the Mare's own Foal is alive it must be shown with the Mare. A Mare whose Foal has died or which after entry is found to be not in Foal shall be eligible without further entry to compete among the Yeld Mares if a corresponding class for Yeld Mares be included in the Prize List. In the case of Shetland Ponies only, a Mare entered in the class for Yeld Mares, but which proves to be in Foal, will be transferred to the class for Brood Mares.
- 91.2. Exhibitors are reminded that the Welfare of Animals (Transport) Order 1997 makes it an offence to cause or permit the transport of an animal which has given birth within the preceding 48 hours or if likely to give birth during transport. It is also an offence to transport a newborn animal whose navel has not completely healed.

#### Blindfolding Horses

*Note: See also under relevant breed heading.*

### CLYDESDALES

This Show is affiliated to the Clydesdale Horse Society.

Stallions, Colts, Mares or Fillies must be entered or be eligible for entry in the Clydesdale Horse Society Stud Book. Geldings must be entered as produce of a registered Clydesdale Mare and by a Registered Clydesdale stallion if they do not hold a Clydesdale Horse Society passport, or Geldings with a Clydesdale Horse Society Passport must be entered in the Main Section of the Clydesdale Horse Society Stud Book.

### CLYDESDALE YOUNG HANDLERS

Young Handlers must be aged 12 to 16 on the day of the qualifying show.

Handlers may compete in any number of Young Handlers classes in any year / qualifying period, but they may only qualify once. If any handler placed in a class has already qualified in the period 1 May and up to 30 April then the qualifying place must go down the line to the first available non-qualifier.

Only animals that have already competed in the normal show or driving classes may be used. Entire colts are not allowed. Judging of this class is not to be on the merits of the animals – it is to be on the quality of the stockmanship and handling in the show ring by the young handler. Rosettes will be provided to all entrants by the CHS. Competitors should wear white coats, CHS ties and suitable footwear.

It should also be made clear that there will be a very tight timescale at the end of the qualifying period to get entries into the Secretary to allow names to go forward to the Highland Show. People qualifying in the last week in April should contact the Secretary immediately following qualification.

An engraved medal is presented by The Clydesdale Horse Society to the best young handler aged 12 to 16 on the day of the show who has not already qualified. That person will also receive a Young Handler qualifier rosette on the day of the show. The capabilities of the handler are to be assessed, **not** the animal being led. Due to the uncertainty of the times we will advise qualifiers of the timing of the next Young Handler Final. This will be entirely dependent upon the Royal Highland Show and decisions taken by them about timing of future shows. A merit rosette will be given to all entrants in the class.

The Young Handler Scheme and The Young Handler Final are generously sponsored by the James Bennett Fund.

**Entry Fee ; free**

Save for death or personal injury caused by breach of its duty, the Society will not be responsible for death, injury, disease, damage or loss caused to any Exhibitor or to his/her servant or agent or to any animal, article, plant, machinery or thing of whatever nature brought on to the Showground by the said Exhibitor from whatever cause death, injury, disease, damage or loss arises.

1.2. Save as aforesaid the Exhibitor shall indemnify the Society against all claims, damages and expenses whatsoever in any way arising out of the presence of the Exhibitor, his/her servants, agents, exhibits, vehicles or equipment on the Showground and shall assume full responsibility therefore.

1.3. Acceptance of the provisions of these General Regulations shall be a condition of entry.

1.4. Exhibitors are advised to insure against fire and other appropriate risk not only as regards their own property but also against any third party claims.

#### Responsibility of Exhibitors

2.1. All Exhibitors shall comply with any direction given by the Society's Directors, Stewards, Staff (identifiable by official badge or accreditation), the Official Veterinary Surgeons or by the Police. Exhibitors shall be answerable for all acts, whether committed by themselves, their attendants, or others in charge of their stock, and shall be responsible for the condition of their animals during the whole time they remain in the Showground. Animals which are known to be wild or fractious by nature must not be brought to the Showground. In the event of any animal being excluded or removed from the Showground on the orders of the Chief Steward, any refund of fees or deposit shall be at the sole discretion of the Society.

2.2. Exhibitors and their attendants are responsible for reporting any abnormal behaviour of their animals to the Chief Steward of their Section or to the Official Veterinary Surgeons. The Chief Steward shall have authority to exclude from Parades and/or the Showground any animal which in their opinion is wild or fractious to the extent of being a danger to the public, exhibitors or animals, without prejudice to what is provided in these Regulations as to the liability of Exhibitors. Exhibitors and their attendants or other persons in charge of the Exhibitors' stock are responsible for the welfare of their animals, both during transit to and from the Show and whilst in the Showground. The decision of the Society's Veterinary Surgeons during the Show shall be final on all matters relating to animal welfare.

2.4. Where, in the sole opinion of the Chief Steward, any Exhibitor, his/her servant, agent, attendant or any other person fails to comply with, breaches or is in breach of these General

Regulations or any other rules or regulations of the Society, the Chief Steward shall be entitled to require such Exhibitor, servant, agent, attendant or any other person to forthwith remove from the Showground his or her animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature involved in any competition or display or otherwise exhibited on or brought on to the Showground.

2.5 Notwithstanding anything else to the contrary in these General Regulations, the Chief Steward shall be entitled, in his/her sole discretion and on any grounds to (i) refuse to admit any person, animal, plant, machinery, equipment, vehicle, article or other things of whatever nature to the Showground and/or (ii) require the removal of any person, animal, plant, machinery, equipment, vehicle, article or other thing of whatever nature from the Showground.

2.6 In the event that any Exhibitor, servant, agent, attendant or any other person fails to comply with a direction given by the Chief Steward to remove forthwith from the Showground his or her animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature, the Chief Steward shall have the power (acting as agent on behalf of such Exhibitor, servant, agent, attendant or any other person) and authority to remove or procure the removal of said animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature from the Showground to a suitable and secure location and shall be entitled to recover all costs of such removal, re-location, storage and/or stabling or stalling; and in the case of animals the costs of fodder and bedding and all other costs reasonably incurred from such Exhibitor, servant, agent, attendant or any other person. Notwithstanding such removal, the Exhibitor shall remain the owner and be responsible for said animals, plant, machinery, equipment, vehicles, articles or other things of whatever nature and the disclaimer of liability and indemnity set out in paragraphs 1.1 and 1.2 above shall continue to apply irrespective of such removal, re-location, storage stabling or stalling.

Any animal so excluded must be immediately removed from the Showground. All cattle showing any signs of ringworm shall, at the discretion of the Official Veterinary Surgeons or Chief Steward, be removed from the Showground and the production of a Veterinary Certificate relating to treatment shall not exempt any animal from this ruling.
